PREFACE

It is with great pleasure that we present the Annual Report for the year 2024–2025, capturing a comprehensive overview of our organization's achievements, progress, and milestones. This report reflects our unwavering commitment to excellence, growth and sustainability while staying aligned with our mission and core values.

Throughout the year, we have navigated challenges and seized opportunities with resilience and innovation. The dedication of our team, the support of our stakeholders and the trust of our partners have played a pivotal role in our accomplishments.

This document not only highlights our operational performance but also outlines key initiatives, strategic developments and future directions that will shape our path ahead. We believe this report serves as a testament to our continuous efforts towards creating value, fostering transparency and driving positive impact for all associated with our journey.

We extend our sincere gratitude to all employees, partners, and well-wishers who have contributed to our success. Together, we look forward to building an even more impactful and sustainable future.

VISION

To be a leader in pharmaceutical education with the ultimate goal of contributing to the health of the nation.

MISSION

The mission of the college is to prepare students to become responsible pharmacist who can be leaders in any circumstances. To provide a quality education that effectively integrates critical thinking, problem solving, ethical values and leadership skills.

MESSAGE FROM THE DIRECTOR'S DESK

Dr. Pranati R. Tilak

Director,
Lokmanya Tilak Institute
of Pharmaceutical Sciences.

It gives me immense pleasure to present this message for the Annual Report of Lokmanya Tilak Institute of Pharmaceutical Sciences, a proud constituent of Tilak Maharashtra Vidyapeeth, an institution that has been dedicated to the cause of quality education for over 103 years.

In a short span since its inception, the Institute has made remarkable strides in academic, co-curricular, and extra-curricular domains. With state-of-the-art infrastructure and modern laboratory facilities, we are committed to nurturing scientific temper, critical thinking, and a spirit of excellence among our students. Our curriculum is designed not only to impart in-depth pharmaceutical knowledge but also to equip students with essential practical skills required in the ever-evolving healthcare sector.

Our students continue to achieve commendable academic success while actively participating in various professional competitions, seminars, workshops, and study tours that enhance their industry exposure and real-world learning. This holistic development approach ensures that our graduates are not only academically proficient but also well-rounded individuals ready to meet the demands of the profession.

Faculty members play a pivotal role in shaping this vibrant academic culture. Through remedial classes, mentorship initiatives, and continuous professional development via conferences, seminars, paper presentations, and other scholarly activities, they ensure that the teaching-learning process remains dynamic and progressive.

We also take pride in organizing cultural and recreational events that foster teamwork, creativity, and leadership among students—preparing them for life beyond the classroom.

The journey so far has been enriching and promising, and I am confident that the coming years will witness even greater accomplishments and milestones for the Institute. This collective effort of dedicated faculty, enthusiastic students, and visionary leadership promises a bright future for Lokmanya Tilak Institute of Pharmaceutical Sciences.

Let us continue to strive towards academic excellence and societal contribution with the same passion and commitment.

ACADEMIC EXCELLENCE

At Lokmanya Tilak Institute of Pharmaceutical Sciences (LTIPS), academic excellence is nurtured through:

- A well-structured curriculum that blends theoretical insights with practical skills.
- The use of diverse, interactive and experiential teaching methods to enrich the learning process.
- A supportive environment that encourages curiosity, critical analysis and innovation.
- Continuous and meaningful assessment practices, coupled with constructive feedback to promote growth and improvement.
- Integration of the latest technologies and pedagogical approaches to keep education modern, relevant and effective.

LTIPS offers four years B. Pharmacy course meticulously designed to shape a new generation of global pioneers, researchers, and industry-ready experts. Our focus lies in providing skill-oriented education that ensures students gain hands-on industrial exposure alongside a firm theoretical understanding, fostering creativity and problem-solving abilities. It is crafted to bridge the widening gap between industry demands and available talent, equipping students with essential competencies in an optimal learning environment.

We have taken proactive steps to align our educational ecosystem with its vision. This includes updating curricula to support interdisciplinary learning, enhancing vocational training modules and introducing flexible academic pathways that address the evolving needs of modern learners and industries alike.

Cultural & Co-curricular Activities

Training & Placement Activities

ACADEMIC ACTIVITY

Event 1

Name of the Activity: Guest Lecture on Methodologies for evaluating tablet compaction

LTIPS Pune organized guest lectures on Monday, 29/07/24 in order to groom the students on the topic Methodologies for evaluating tablet compaction.

The session was very elucidative. Dr. Rahul Haware, Head of GMP Compliance at Red Lotus Pharma. Pvt Ltd. explained different methodologies for evaluating tablet compaction.

the resource person answered our student's questions

CULTURAL AND CO-CURRICULAR ACTIVITY

Event 2

Name of the Activity: "Har Ghar Tiranga"

A rally was conducted on 14th August 2024 where students carried the national flag and marched from Tilak Maharashtra Vidyapeeth (TMV), Pune to TMV Colony. Participants were students and faculty members from Pharmacy department. The students enthusiastically participated in the rally, showcasing their patriotism and unity.

The event instilled a deep sense of patriotism among the students with objective of promoting the national flag and its significance.

Har Ghar Tiranga rally

Event 3

Name of the Activity: Pharmacist Day Celebration

On 25th September 2024, students from 3rd & 4th Year conducted an extensive visit to 154 pharmacy stores across Pune region to identify operational challenges impacting service delivery and customer satisfaction. During the visits, it was observed that many customers purchased over-the-counter medications without consulting pharmacy staff. Commonly self-medicated items included pain relievers, cold and flu medications, and digestive aids. While some customers displayed a clear understanding of their needs, others showed a lack of knowledge regarding proper dosages and potential side effects, raising concerns about the risks associated with improper self-medication. Additionally, a significant number of stores faced issues with the availability of popular over-the-counter medications, resulting in frequent stockouts that hindered customer access.

Pharmacist Day celebration

Event 4

Name of the Activity: Pharmacist Day (Video Making Competition)

On September 25th, LTIPS celebrated Pharmacist Day with an exciting video-making competition focused on practical based learning. The event encouraged students to creatively showcase their understanding and application of pharmaceutical concepts.

Felicitation by Registrar Dr. Deshmukh Madam

CULTURAL AND CO-CURRICULAR ACTIVITY

Event 5

Name of the Activity: Teachers' Day

On 5th September 2024, LTIPS celebrated Teachers' Day with enthusiasm and gratitude. The event featured inspiring speeches from students, expressing heartfelt thanks to their teachers for their unwavering support and guidance. As a token of appreciation, each faculty member was honoured with beautiful bouquets. The celebration also showcased vibrant performances organized by the TMV Art Circle, including a lively dance by the pharmacy faculty set to "Wo Shakti Hai," and a captivating semi-classical dance by Ms. Shraddha Dingare and Ms. Shweta Mali. The heartfelt speeches and flower presentations highlighted the invaluable contributions of teachers. The event beautifully highlighted the invaluable contributions of teachers and fostered a sense of community within the college.

TRAINING & PLACEMENT ACTIVITY

Event 6

Name of the Activity: Guest lecture on higher studies and career opportunities abroad

LTIPS Pune organized guest lectures on Monday, regarding career guidance by Ms. Leena Mohite, Consultant Smart Study Speaker on “Higher education and Career opportunities Abroad” for Third and Final Year B. Pharm students on Monday 7/10/2024. She encouraged students related to career opportunities abroad, dreams, determination etc. Session was very informative and useful.

Ms. Leena Mohite, Consultant Smart Study Speaker delivering guidance on “Higher education and Career opportunities Abroad

Event 7

Name of the activity: MOU with Kulkarni Laboratories

A Memorandum of Understanding (MOU) was signed on 7th October 2024 between Kulkarni Laboratory Quality Management Service and Tilak Maharashtra Vidyapeeth's Lokmanya Tilak Institute of Pharmaceutical Sciences, Pune for all year students

The MOU aims to establish a framework for collaboration to enhance industry-institute interaction and foster growth in the pharmaceutical and quality management fields.

MOU with Kulkarni Laboratories

TRAINING & PLACEMENT ACTIVITY

Event 8

Name of the Activity: Workshop on Entrepreneurship & Innovation as career opportunity

LTIPS organized workshop on Entrepreneurship & Innovation as career opportunity by Mr. Sachin Kumbhoje, Cofounder Ciree Edutech LLP on "Workshop on Entrepreneurship & Innovation as career opportunity" for Third and Final Year B.Pharm students on Wednesday 09/10/2024. He encouraged students related to innovative thinking, innovation & entrepreneurship, challenges acceptance, dreams, determination, etc. Session was very informative and useful.

Mr. Sachin Kumbhoje, Co-founder Ciree Edutech LLP conducted "Workshop on Entrepreneurship & Innovation as career opportunity

Event 9

Name of the Activity- Virtual Training on “Insight in ACG’s Oral Dosage Technology” scheduled on Tuesday, 22nd October 2024

A comprehensive virtual training covering various aspects of ACG’s oral dosage technology was organized. On 22/10/24 The event aimed to provide insights into capsule manufacturing, technology advancements, packaging, and the future of pharmaceutical production. The virtual training on "Insight in ACG’s Oral Dosage Technology" was a comprehensive event designed to provide participants with an in-depth understanding of various aspects of oral dosage technology. It covered topics ranging from capsule manufacturing processes and innovative applications in hard capsules to advancements in packaging films, manufacturing equipment, and Industry IoT. The inclusion of sessions on Track & Trace technologies and Good Manufacturing Practices (GMP) ensured a well-rounded exposure to the latest industry standards and technological trends. The presence of experts from ACG provided valuable insights, making the training highly relevant and informative for the attendees.

One day training ACG’s Oral Dosage Technology

Event 10

Name of the Activity: National Education Day-Elocution Competition

The National Education Day Elocution Competition, held on Monday, 11th November 2024, celebrated the importance of education in our lives. The competition aimed to provide a platform for participants to express their views on education, fostering a spirit of learning and critical thinking

The participants were judged on their ability to articulate their thoughts, the relevance of their content, the depth of their research, and their overall presentation skills

Outcome/Impact of the activity-The event was a great success, with participants showcasing their oratory skills and insightful thoughts on the importance of education.

This event was a perfect tribute to National Education Day, highlighting the power of education in shaping individuals and society.

TRAINING AND PLACEMENT ACTIVITY

Event 11

Name of the Activity: Industrial Visit at Blue Cross Laboratories, Nashik

The Training and Placement Cell of Tilak Maharashtra Vidyapeeth's Lokmanya Tilak Institute of Pharmaceutical Sciences, Pune, organized an educational industrial visit to Blue Cross Laboratories, Nashik, on 18th November 2024 for the Third Year B. Pharm students. The visit was planned to provide students with practical exposure to the pharmaceutical industry's working environment, bridging the gap between theoretical studies and real-world applications.

During the visit, the students were given a guided tour of the state-of-the-art facilities, including sections for quality control, packaging, and production. Experts from Blue Cross Laboratories elaborated on critical aspects of pharmaceutical manufacturing, such as regulatory compliance, quality assurance procedures, and the operation of advanced machinery.

Industrial Visit at Blue Cross Laboratories, Nashik

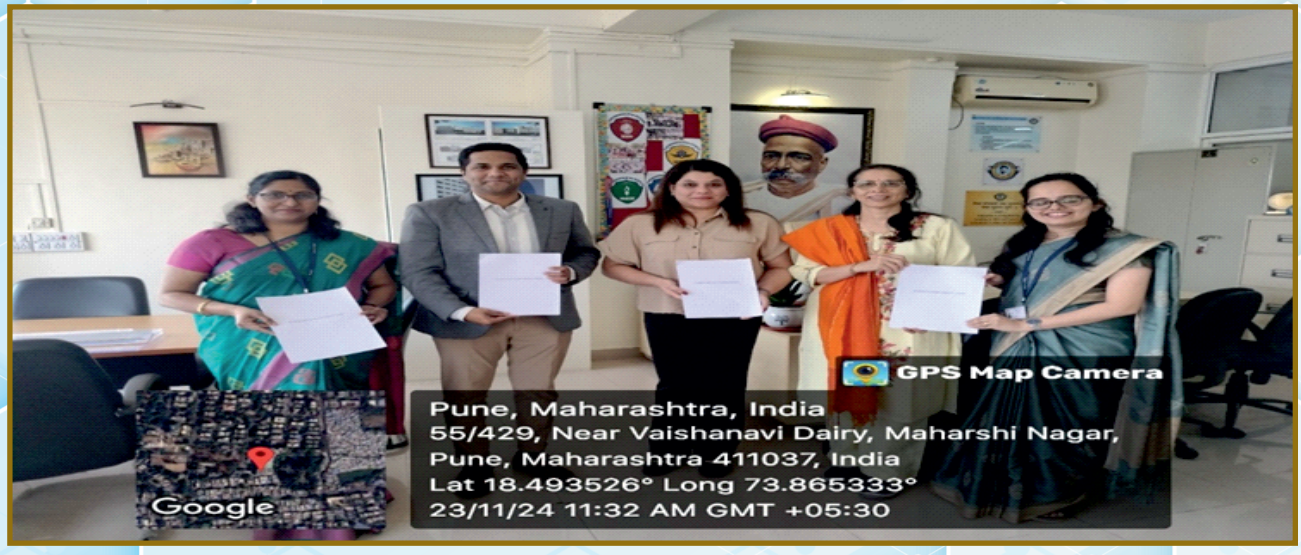

TRAINING AND PLACEMENT ACTIVITY

Event 12

Name of the Activity: MOU with CIREEE Edutech LLP

A Memorandum of Understanding (MOU) was signed on 23rd November 2024 between Ciree Edutech LLP and Tilak Maharashtra Vidyapeeth's Lokmanya Tilak Institute of Pharmaceutical Sciences, Pune, focusing on two distinct initiatives: 30-hour short-term courses and a dedicated placement drive. This collaboration aims to enhance the academic and professional development of students, equipping them with skills and opportunities relevant to the pharmaceutical industry. 30-hour short-term courses are designed to provide students with specialized knowledge and hands-on learning experiences in key areas of the pharmaceutical field.

CULTURAL AND CO-CURRICULAR ACTIVITY

Event 13

Name of the Activity: Collective Reading of the Preamble of the Indian Constitution

On the occasion of Constitution Day (Samvidhan Divas) and as part of the celebration of the Amrit Mahotsav of the Indian Constitution (2024-25), TMV's LTIPS, Pune, organized an activity titled " Collective Reading of the Preamble of the Indian Constitution " on 26th November 2024. Collective Reading of the Preamble engaged in reaffirming their commitment to uphold the Constitution's values of justice, liberty, equality, and fraternity. This event aimed to promote constitutional awareness and foster a sense of pride and responsibility among students and faculty members.

TRAINING AND PLACEMENT ACTIVITY

Event 18

Name of Activity: Career Opportunities in the United Kingdom in STEM

On 15th January 2025, the campus of Lokmanya Tilak Institute of Pharmaceutical Sciences had the privilege of hosting a guest lecture by Mr. Ambrish Joijode, the Chief Operating Officer (COO) of the Academy of Science, Technology, and Management, United Kingdom. Mr. Joijode, a seasoned professional with extensive experience in the STEM (Science, Technology, Engineering, and Mathematics) fields, delivered an insightful session on "Career Opportunities in the United Kingdom in STEM." The lecture focused on various global career pathways available for students, highlighting emerging industry trends and the necessary skills that aspiring professionals need to develop in order to succeed in an international career landscape.

An insightful session on "Career Opportunities in the United Kingdom in STEM.

TRAINING AND PLACEMENT ACTIVITY

Event 19

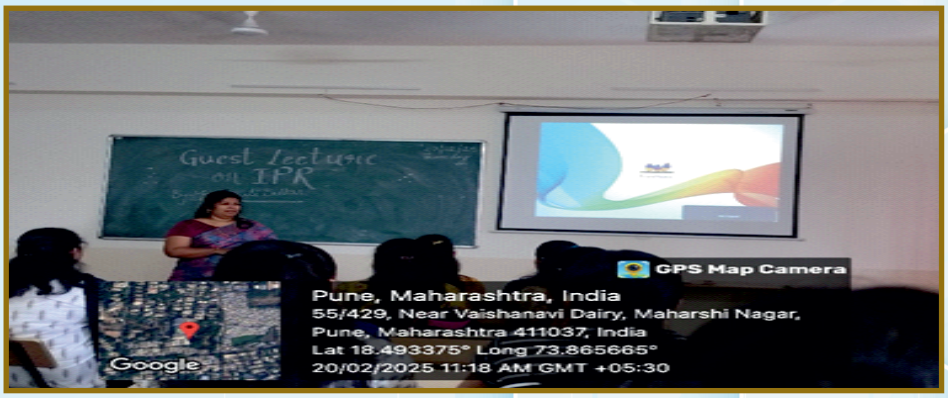

Name of Activity: Guest Lecture on Intellectual Property Rights (IPR)

The guest lecture on Intellectual Property Rights (IPR), held on February 22nd, 2025 was an enlightening session organized by the Training and Placement Cell of TMV's Lokmanya Tilak Institute of Pharmaceutical Sciences, Pune. The session was led by the esteemed Adv. Manali Bidkar, whose expertise in IPR greatly enriched the understanding of all attendees. The event aimed to provide insights into the importance of IPR in fostering innovation and protecting creative works. Adv. Bidkar explained the fundamental concepts of intellectual property, including patents, copyrights, and trademarks, while emphasizing the significance of safeguarding intellectual assets in a knowledge-driven economy.

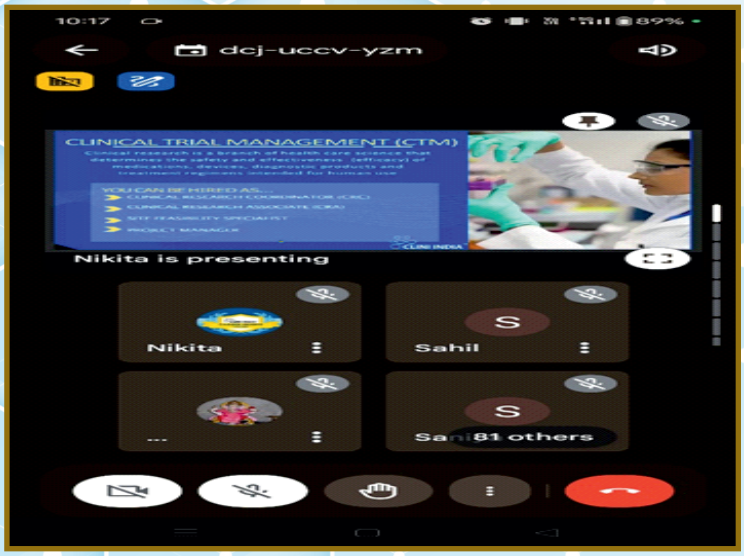

An insightful session on "Career Opportunities in the United Kingdom in STEM.

Event 20

Name of Activity: Webinar on Importance of Profession-Ready Training and Placements by Clini India

The webinar emphasizing the "Importance of Profession-Ready Training and Placements" in the rapidly growing fields of Clinical Research, Pharmacovigilance, and other related domains was conducted on 20th January 2025. The session focused on equipping students with the knowledge and skills required to meet industry expectations as they enter the job market. Experts discussed key topics such as what employers look for in freshers, offering actionable tips on how students can better prepare themselves to seize career opportunities and achieve competitive packages at leading organizations.

In addition to career advice, the webinar provided a detailed overview of online training programs that can help students gain relevant skills and enhance their employability in these fields.

CULTURAL AND CO-CURRICULAR ACTIVITY

Event 21

Name of the activity: Workshop on Youth Psychology

The Lokmanya Tilak Institute of Pharmaceutical Sciences, Pune, organized an insightful workshop on Youth Psychology for students on the 23rd of January, 2025. The primary aim of the workshop was to address the psychological challenges faced by youth in the current fast-paced, stress-driven world.

The workshop was conducted by Mrs. Sheetal Sanghavi, a renowned certified meditation trainer with extensive experience in helping individuals overcome emotional and mental stress through mindfulness and meditation techniques. The workshop began with a brief introduction by the event coordinator, highlighting the significance of understanding youth psychology and its impact on academic performance, personal growth, and career development.

Mrs. Sanghavi elaborated on the emotional and mental challenges often faced by students. She explained the connection between mental well-being and physical health, stressing the importance of practices like meditation, deep breathing, and mindfulness to maintain balance. She shared various meditation techniques that students could incorporate into their daily routines to alleviate stress and anxiety.

Mrs. Sheetal Sanghavi, a renowned certified meditation trainer in the presence of TMV's Women's Committee

Event 22

Name of the Activity: 63rd National Pharmacy Week celebration
Day & Date of Activity: 20th January 2025 to 25th January 2025
Name of Co-ordinator: Ms. Rucha Pusegaonkar & staff
Brief description of activity: The 63rd National Pharmacy Week was celebrated from 20th January 2025 to 25th January 2025. It promoted the theme "THINK HEALTH, THINK PHARMACY" nationwide through its State and Local branches, and with the involvement of pharmacy colleges and pharmacy students, out into the public. The following activities 7 events were co-ordinated by different teaching staff & co-ordinator head. Various competitions were held by various Pharmacy colleges comprising **Ideathon & Pharma detailing, General Aptitude, Elocution competition, patient counseling, Model Making, Poster presentation, Extempore, Pharma AD MAD, Paper presentation, Group discussion**

LTIPS winners at Rasiklal Dhariwal's College of Pharmacy for Poster Presentation

TRAINING AND PLACEMENT ACTIVITY

Event 23

Name of the activity: Communication Skill Workshop

A three-day "Communication Skills Workshop" was organized from 23rd to 25th January 2025 for the First- and Second-Year B. Pharm students of Tilak Maharashtra Vidyapeeth's Lokmanya Tilak Institute of Pharmaceutical Sciences, Pune by training and placement cell in association with CiREE Edutech LLP. The workshop aimed to enhance the personal and professional communication abilities of students, equipping them with essential skills for academic and career success. The event was conducted under the guidance of esteemed resource persons, Vishwajeet Kashid and Sachin Kumbhoje, who brought their expertise to the sessions, making the workshop highly engaging and impactful.

Event 24

Name of the activity: Induction Programme

The second day induction programme for the 1st Year and Direct Second Year B. Pharm students for the academic year 2024-2025 at Lokmanya Tilak Institute of Pharmaceutical Sciences (LTIPS), Pune, on 29th January 2025 marked the beginning of a new academic chapter. The event was filled with enlightening lectures, motivational addresses, and an insightful exploration of the vast opportunities within the pharmaceutical field. The program sought to orient the new students to the academic environment, the college's values, and the ever-growing pharmaceutical industry.

The formal session began with a keynote address by Dr. Manoj Jadhav, a renowned Translational Clinical Pharmacologist and Founder of Isha Therapeutics.

The lamp-lightening ceremony in presence of Hon. Director Dr. Pranati Tilak, LTIPS

Event 24

Directorial Address

The program was enriched by the address of **Dr. Pranati Tilak**, Honourable Director of LTIPS. Dr. Tilak, a visionary leader, spoke about the importance of educational excellence and ethical responsibility in the field of pharmacy.

Directorial Address by Hon. Director, LTIPS Dr. Pranati Tilak

Dr. Kannur, Principal, Indira College of Pharmacy addressing session

Guest Lecture 2: Dr. Dayanand Kannur

The second guest lecture of the day was delivered by Dr. Dayanand Kannur, Professor & Principal at Indira College of Pharmacy, Pune. Dr. Kannur, a well-respected figure in the field of pharmaceutical teaching and research, focused on the diverse career opportunities available in the pharmaceutical industry.

Felicitation of Dr. Kannur at the hands of Registrar, LTIPS Dr. Meera Deshmukh

LTIPS winners at Rasiklal Dhariwal's College of Pharmacy for Poster Presentation

Event 24

The two days induction program at LTIPS was an exemplary blend of academic orientation, industry insights, and motivational talks. The combination of lectures from experts in the pharmaceutical field, speeches by distinguished leaders, and the formal ceremonial events provided the students with a comprehensive introduction to both their academic journey and the broader pharmaceutical industry.

Event 25

Name of the activity: The National Conference on Pharma Frontiers 2025: AI-assisted Innovations in Pharmaceutical Sciences

The National Conference on Pharma Frontiers 2025: AI-assisted Innovations in Pharmaceutical Sciences was organized by the Tilak Maharashtra Vidyapeeth's Lokmanya Tilak Institute of Pharmaceutical Sciences (LTIPS) on 30th and 31st January 2025.

A paper presentation was conducted on 30th January,2025 for (UG, PG & PhD, Faculty category) focusing on the topic "AI-Assisted Innovations in Pharmaceutical Sciences." The session aimed to explore how artificial intelligence (AI) is transforming the pharmaceutical industry by improving drug discovery, enhancing patient care, and optimizing clinical trials. Students had the opportunity to present their research and findings on how AI technologies, such as machine learning (ML), natural language processing (NLP), and predictive modelling, are being utilized in various pharmaceutical processes. The event provided a platform for students to showcase their research and gain deeper insights into the convergence of AI and pharmaceuticals. 25 colleges participated via online & offline platform.

The paper presentation was judged by Dr. Ameliya Avchat, Ex-professor, Sinhgad College of Pharmacy, Vadgaon & Mr. Rahul Padalkar, Assistant Professor, AISSMS college of Pharmacy, Dr. Ajay Kale, Assistant professor, Navsahyadri College of Pharmacy, Pune. The session concluded with a discussion on the future potential of AI in transforming the pharmaceutical industry, emphasizing the need for continuous research and innovation.

Event 25

Lamp-lightening Ceremony

The Presidential Address was delivered by **Dr. Pranati Tilak,** the Hon. Director of LTIPS. Her address underscored the role of leadership in shaping the future of pharmaceutical education and research, with a special emphasis on the role of AI in advancing healthcare.

Presidential Address was delivered by Dr. Pranati Tilak, the Hon. Director of LTIPS.

Event 25

The keynote session was graced by Mr. Mahesh Zhagade, a retired Indian Administrative Service (IAS) officer, ex-principal government of Maharashtra, who shared his vast knowledge in governance, leadership, and public administration. His experience in shaping state policies and key government initiatives provided valuable insights for attendees.

Keynote session was graced by Mr. Mahesh Zhagade, a retired Indian Administrative Service (IAS) officer, ex-principal government of Maharashtra

Plenary lecture by Dr. Vandana Patravale on Nanotechnology in Healthcare

Dr. Vandana Patravale, a renowned professor from the Institute of Chemical Technology, Mumbai, delivered a compelling session on nanotechnology's role in reshaping healthcare.

Profile of Dr. Vandana Patravale: Dr. Patravale is an expert in nanotechnology-based drug delivery systems and has been involved in 18 government-sponsored research projects and 35 industrial consultancy projects. Her work focuses on the development of nanocarriers for targeted drug delivery and gene delivery systems

Event 25

Plenary lecture by Dr. Shreeram Inamdar on Advances in Oncology

Dr. Shreeram Inamdar, Director of Clinical Operations at Xylem Research LLP, shared valuable insights into **oncology research**, particularly focusing on **precision medicine, immunotherapy, and cancer detection**.

Plenary lecture delivered by Dr. Shreeram Inamdar

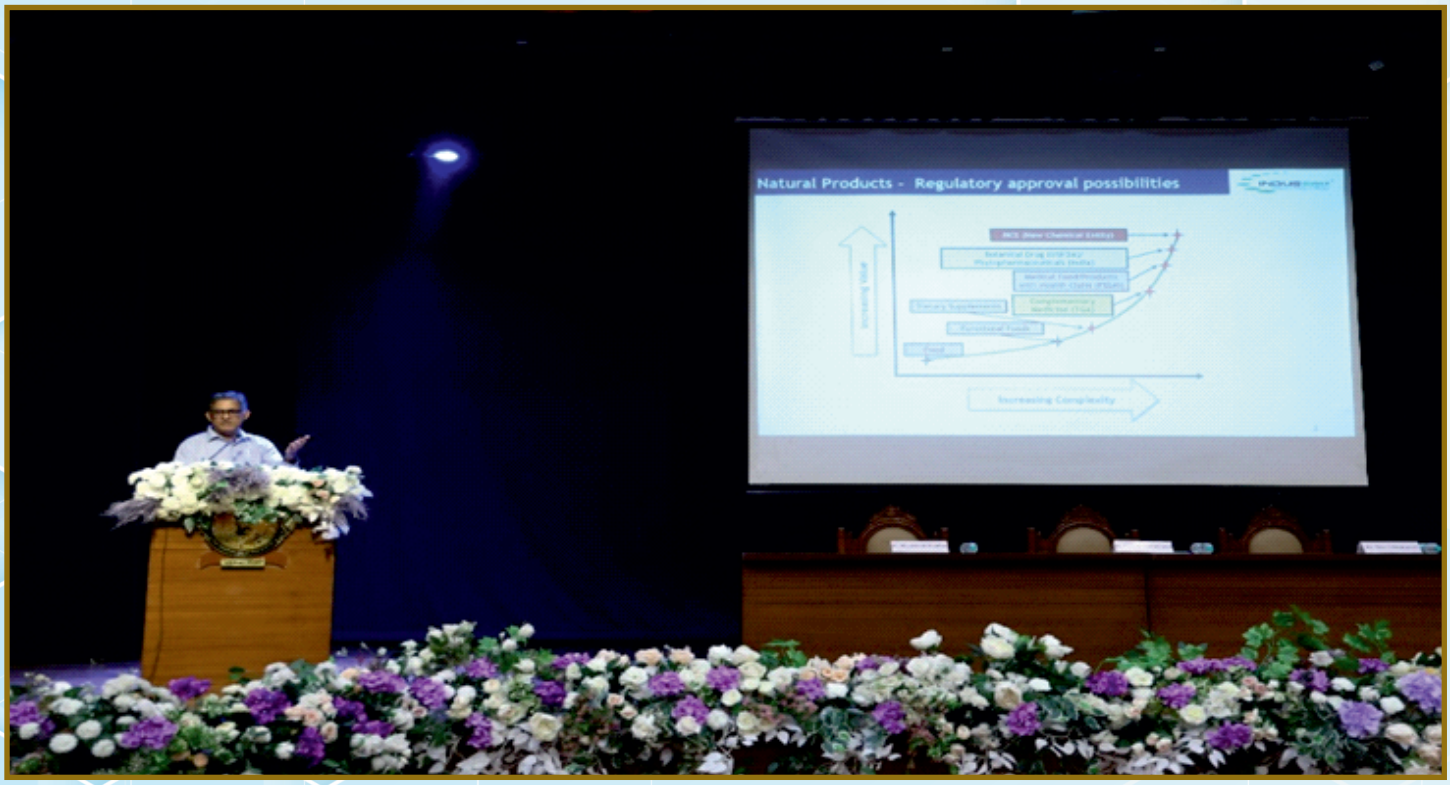

Felicitation of Dr. Shreeram Inamdar, Director of Clinical Operations at Xylem Research LLP by Registrar, LTIPS Dr. Meera Deshmukh

Event 25

Plenary Lecture of Dr. Prasad Thakurdesai: Innovations on Herbal Drug Development

Dr. Prasad Thakurdesai, Chief Scientific Officer at Indus Biotech Private Ltd, Pune, discussed the **integration of traditional herbal medicine** with modern pharmacological practices.

Profile of Dr. Prasad Thakurdesai: With expertise in toxicology, quality assurance, and regulatory affairs, Dr. Thakurdesai has made significant contributions to the advancement of nutraceuticals and complementary medicine, holding a Ph.D. in Pharmaceutical Sciences from UDPS, Nagpur.

Plenary Lecture by Dr. Savita Datar on Developing Chick Embryo as a Model System for Biomedical Research

Developing Chick Embryo as a Model System for Biomedical Research Dr. Savita Datar, an ex-principal and expert in biomedical research, discussed the use of chick embryos in studying embryogenesis, organ formation, and tissue differentiation.

Event 25

Profile of Dr. Savita Datar: Dr. Datar, with a Ph.D. in Zoology, is known for developing innovative models for angiogenesis studies and biomedical research using the chick embryo.

Closing Remarks

Event 26

Name of the activity: Cultural week “Sanskriti-2025” celebration

Sanskriti 2025, an annual celebration of Indian culture and traditions, was held from February 3rd to February 8th, 2025, under the theme Culture of India. Organized by the Arts Circle of Tilak Maharashtra Vidyapeeth (TMV), the event provided a vibrant platform for students, staff, and faculty to showcase their creativity and cultural understanding through a variety of activities and competitions.

The week began with a grand celebration on 3rd February 2025, focusing on Indian Weddings, where participants explored and celebrated the rich traditions and customs of Indian marriages. On 4th February, the theme Tribute to Bollywood captivated the audience with performances inspired by India's iconic film industry. The following day, 5th February highlighted Flora & Fauna of India, reflecting the country’s diverse natural heritage through art, discussions, and performances.

Celebration on 3rd February 2025, focusing on Indian Weddings, where participants explored and celebrated the rich traditions and customs of Indian marriages

Sanskriti 2025 also witnessed an enriching social initiative called The Joy of Giving, held from 4th to 6th February 2025, in collaboration between the Department of Social Science and the Department of Sanskrit and Languages. This initiative encouraged the community to contribute and spread kindness in line with the cultural theme.

Event 27

Name of Activity: Industrial Visit at ACG Sci Tech Shirwal, Pune

The ACG Sci-Tech visit organized on 11th Feb 2025 by Training and Placement Cell of TMV's Lokmanya Tilak Institute of Pharmaceutical Sciences, Pune to Shirwal proved to be a rich educational experience student from TMV's Lokmanya Tilak Institute of Pharmaceutical Sciences. The day commenced at ACG Capsules, where the visitors were warmly welcomed. After a tree plantation activity, a group photograph, and a safety briefing, breakfast was served. Students were then divided into two groups, each led by professors, and assigned distinct itineraries to ensure a smooth and organized exploration of various ACG locations.

Event 28

Name of the activity: Shiv Jayanti Celebration

The celebration of Shiv Jayanti, marking the birth anniversary of Chhatrapati Shivaji Maharaj, was held on 19th February 2025 with great enthusiasm at Lokmanya Tilak Institute of Pharmaceutical Sciences, Pune. The event aimed to honour the legacy of the great Maratha warrior and inspire students with his ideals of bravery, justice, and good governance.

The day served as a reminder of remarkable legacy & instilled a deep sense of pride and admiration for Chhatrapati Shivaji Maharaj among all attendees

Shivjayanti celebrated at LTIPS

CULTURAL AND CO-CURRICULAR ACTIVITY

Event 29

Name of Activity: Guest Lecture: "The Art of Mind Management"

On Wednesday, 20th February 2025, LTIPS organized a lecture focused on Indigenous Knowledge Systems (IKS). The lecture was delivered by the eminent speaker, Dr. Ram Sathaye, who explored various aspects of IKS and its relevance to management. The session focused on how traditional knowledge systems can offer valuable insights into modern management practices, particularly in relation to decision-making, problem-solving, and organizational strategies. The event was attended by all students and teaching staff from the Pharmacy department, providing a platform for learning and exchange of ideas.

Event 30

Name of Activity: Good Manufacturing Practices (GMP) workshop

The Good Manufacturing Practices (GMP) workshop, held on February 14 and 15, 2025, was organized by the Training and Placement Cell of Tilak Maharashtra Vidyapeeth's Lokmanya Tilak Institute of Pharmaceutical Sciences, Pune. The workshop aimed to bridge the gap between academic learning and real-world industry practices, providing pharmacy students with an immersive experience in GMP. Through expert talks, case studies, and interactive activities, the program offered participants practical insights, best practices, and problem-solving skills relevant to the pharmaceutical industry.

TRAINING AND PLACEMENT ACTIVITY

Event 31

Name of Activity: Industry Integrated Bridge Course

The Industry Integrated Bridge Course, held on the 21st and 22nd of February 2025, was a meticulously designed program aimed at equipping students with practical knowledge and skills for the pharmaceutical and life sciences industries. Organized by the Training and Placement Cell of Tilak Maharashtra Vidyapeeth's Lokmanya Tilak Institute of Pharmaceutical Sciences, Pune, the course featured Mr. Rajiv Diwan as the resource person, who brought his expertise to guide the participants. The workshop bridged the gap between academic learning and professional expectations, offering students valuable insights into industry functioning and readiness.

Event 32

Name of Activity: Good Clinical Practices (GCP) workshop

The Value-Added Course on Good Clinical Practices (GCP), designed in alignment with National Occupational Standards and Qualification Packs, offered participants a holistic understanding of clinical trial regulations, forensic investigations, and ethical principles in medical research. The purpose of this program was to enhance students' knowledge of the lifecycle of medicines, spanning from clinical trials to manufacturing, while reinforcing GCP guidelines through practical case studies.

The program effectively bridged theoretical knowledge with practical applications, equipping attendees with the skills to navigate ethical and regulatory challenges in clinical research. The focus on real-world scenarios and compliance with GCP standards made this course an invaluable step toward enhancing the professional capabilities of the participants.

Good Clinical Practices (GCP) workshop conducted on 21st and 22nd of February 2025 for the Final-Year B. Pharm students

Event 33

Name of the activity: Firodiya Kardandak

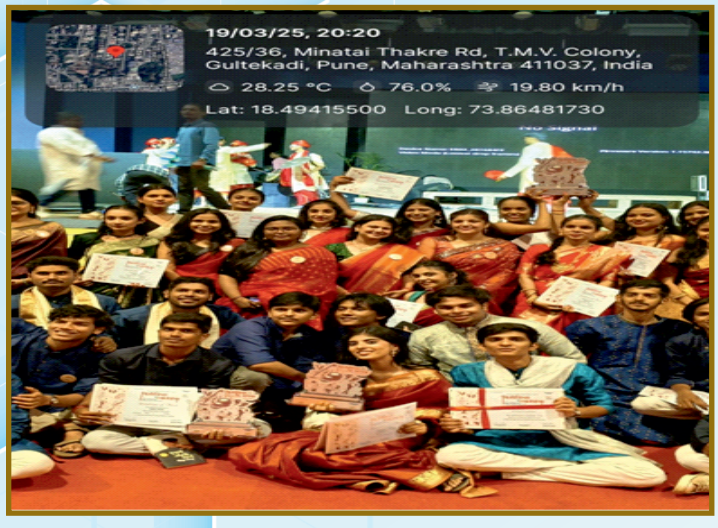

Firodiya Karandak is known for its vibrant atmosphere and has gained a reputation for promoting new and innovative works in the realm of Marathi theatre. The event was conducted on 22nd and 23rd February 2025 Participants are judged on various criteria, including acting, direction, script, and overall presentation. Firodiya Karandak has played an essential role in nurturing talent in the performing arts among students and has contributed to the cultural landscape of Pune and beyond.

Total 9 groups consisting of 35 candidates participated in Final Round of Firodiya Karandak

Tilak Maharashtra Vidyapeeth stood third in inter-collegiate Firodiya Karanadak Event. Four students from First year, LTIPS were a part of the act play “Dastan-E-Jahaan”

First year B. Pharmacy students (winners of Firodiya Karandak) appreciated by Hon. Director, Dr. Tilak ma’am

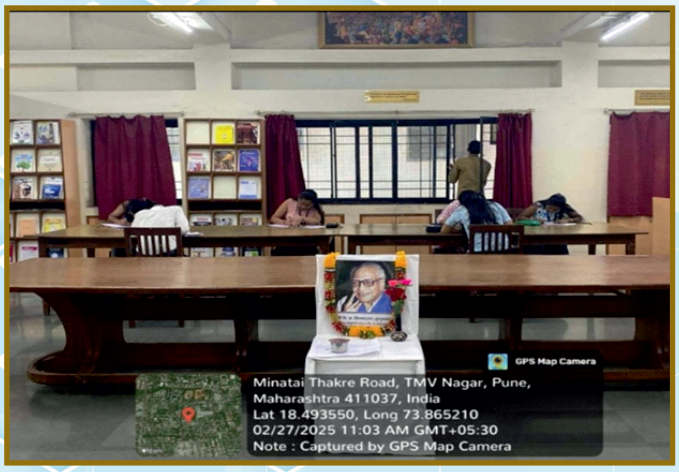

TMV grabbed third position in Firodiya Karandak

Event 34

Name of the activity: Marathi Bhasha Din- Marathi Hasthakshar Spardha

Library Department Tilak Maharashtra Vidyapeeth organized “Marathi Hasthakshar Spardha” on account of celebration of Marathi Bhasha Din (मराठी भाषा दिन) on February 27th at LTIPS in the honor of the Marathi language. This day marks the birth anniversary of the famous Marathi poet Vishnu Vaman Shirwadkar, popularly known as Kusumagraj, renowned writer, poet, and playwright who made significant contributions to Marathi literature.Marathi hasthakshar spardha was organized for all departments of TMV including teaching, non-teaching staff and students.

Celebration of Marathi Bhasha Din marks the birth anniversary of the famous Marathi poet Vishnu Vaman Shirwadkar, (Kusumagraj), renowned writer, poet

Teaching staff participated in Marathi Hasthakshar Spardha

Students from all departments participated in Marathi Hasthakshar Spardha

Event 35

Name of the activity: National Science Day-Visit to IISER, Pune

On the occasion of National Science Day 2025, LTIPS had privilege to visit the Indian Institute of Science Education and Research (IISER) Pune, one of India's premier institutions dedicated to scientific research and education. National Science Day, celebrated on 28th February marks the discovery of the Raman Effect by the legendary physicist, Sir C.V. Raman, in 1928, which was a groundbreaking contribution to the field of science. The events began with a series of interactive sessions designed to engage visitors in scientific discussions and activities. These sessions highlighted the latest research innovations and breakthroughs in the field of science, focusing on areas such as quantum mechanics, biotechnology, renewable energy, and artificial intelligence.

Science Model Exhibition

Visit to Atal Incubation Centre, IISER Pune

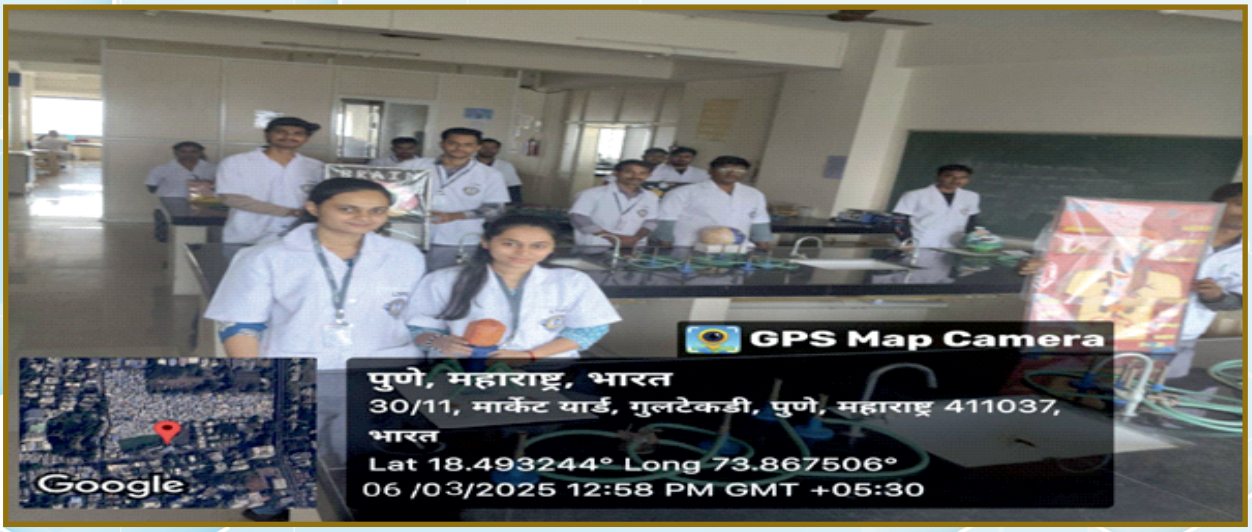

Event 37

Name of the activity: Concept-based Model Demonstration on account of National Pharmacy Education Day

On the occasion of National Pharmacy Education Day, a Concept-based Model Demonstration was organized on 6th March 2025 to highlight the advancements and significance of pharmacy education and practice. The event aimed to foster a deeper understanding of the role of pharmacists in healthcare, while also showcasing the practical applications of pharmacy concepts in real-world settings.

The demonstration featured various models and demonstrations created by students and faculty, focusing on the integration of theoretical knowledge with practical skills.

Students had the opportunity to display their innovative projects, with models explaining complex concepts in an accessible and engaging manner. The models were designed to help attendees visualize how pharmacy education is translated into tangible healthcare solutions that benefit society.

Concept-based Model Demonstration

Event 38

Name of the activity: Indian Brides Fashion Show

On the occasion of International Women's Day, the Women's Committee at Tilak Maharashtra Vidyapeeth organized a vibrant and captivating Indian Brides Fashion Show, aimed at celebrating the beauty, culture, and diversity of Indian bridal fashion. The event was held on 11th March 2025 for faculty from various departments, providing an inclusive platform for all to participate and showcase their creativity. The event was not only a fashion spectacle but also an opportunity to recognize and honour the role of women in society, showcasing their grace, elegance, and empowerment through traditional bridal wear. The fashion show also highlighted the artistry and intricate work involved in bridal fashion, promoting cultural awareness and appreciation.

LTIPS grabbed 1st position in the Indian Bridal fashion show

Event 36

Name of Activity: Women Entrepreneurs' Conclave 2025

The Women Entrepreneurs' Conclave 2025 was hosted on March 5th , 2025, by Tilak Maharashtra Vidyapeeth's Lokmanya Tilak Institute of Pharmaceutical Sciences, Pune, in collaboration with OpEx Accelerator, in celebration of International Women's Day. Through thought-provoking discussions and interactive sessions, the conclave aimed to encourage innovation and leadership among women in the entrepreneurial ecosystem. The event was inaugurated by the Hon. Director of TMV's LTIPS, Dr. Pranati Tilak, who delivered an empowering speech. Dr. Tilak urged women to embrace their uniqueness and create their own paths to success. She emphasized breaking stereotypes, seizing opportunities, and turning ideas into action. Her message of resilience, accountability, and staying grounded resonated deeply with the audience and set an inspiring tone for the event.

A major highlight of the conclave was a dynamic panel discussion featuring a host of accomplished entrepreneurs. Speakers included Ms. Anjori Parandekar, Dr. Manasi Kulkarni, Ms. Bhagyashree Mhatre, Ms. Ujwala Gosavi, Ms. Utkarsha Kulkarni, Ms. Preeti Deshmukh, Ms. Sayali Bidwai, and Ms. Poonam Mandlecha. The conclave featured an engaging Q&A session and networking opportunities, where students and participants interacted with industry experts to gain practical knowledge and inspiration.

Women Entrepreneurs' Conclave 2025 was hosted on March 5, 2025, by Tilak Maharashtra Vidyapeeth's Lokmanya Tilak Institute of Pharmaceutical Sciences, Pune, in collaboration with OpEx Accelerator

CULTURAL AND CO-CURRICULAR ACTIVITY

Event 39

Name of the activity: Oath taking ceremony

Othe Oath Taking Ceremony for the academic year 2024–25 was held on Wednesday,16th April 2024 with solemnity and grace at Lokmanya Tilak Institute of Pharmaceutical Sciences (LTIPS). The ceremony was organized for batch 2021-2025 with the aim of instilling ethical values, professional commitment, and a sense of responsibility among budding pharmacists.

The students took the oath with lit candles in hand, pledging to uphold the ethics of the pharmacy profession and serve the community with dedication, care, and responsibility. The solemn moment reflected the values of compassion, integrity, and lifelong learning.

The gathering was then addressed by Hon. Director Dr. Pranati Tilak, who delivered an inspiring and insightful speech. Dr. Tilak emphasized the critical role pharmacists play in the healthcare system and encouraged students to strive for academic excellence, innovation, and community service.

Felicitation of Hon.Director, LTIPS Dr.Pranati Tilak ma'am by Registrar LTIPS Dr. Meera Deshmukh

CO-CURRICULAR ACTIVITIES INDOOR

1. STRUCTURE DRAWING COMPETITION

The activity was conducted for third year students for Medicinal Chemistry -III by Ms. Hrutuja Wagh on 15th October 2024

The event provided students with an opportunity to apply their knowledge of chemical structure identification and drawing techniques, which are essential in the field of medicinal chemistry. The It was an engaging and educational event that contributed significantly to their learning experience.

2. PROBLEM BASED LEARNING ACTIVITY:

The Problem-Based Learning (PBL) activity is a student-centered educational approach where learning is driven by the process of solving open-ended, real-world problems. This method encourages active participation and collaboration among students, enabling them to develop a deeper understanding of the subject matter through problem-solving. The PBL session, coordinated by Ms. Snehaa Bhosle, took place on 17th October 2024.

By engaging in this collaborative and problem-solving approach, students were able to apply theoretical knowledge in practical scenarios, thereby enhancing their overall learning experience.

3. CO-OPERATIVE LEARNING METHOD-THINK PAIR SHARE

The primary objective of the co-operative learning session conducted by Ms. Dhanshri Dupade was to enhance the learning experience of first-year students in the subject of Pharmaceutical Analysis-I. This method was implemented to foster teamwork, critical thinking, and application of theoretical concepts in practical scenarios.

The co-operative learning method proved to be an effective approach for teaching Pharmaceutical Analysis-I. It not only helped students gain a better grasp of complex subjects but also developed essential skills such as collaboration and critical thinking.

4.POSOLOGY: LEARN & REMEMBER METHOD

The learn & remember method was conducted by Mr. Shubham Gore on subject Pharmaceutics for first year students on 15.01.2025

It focused on:

1. Breaking down complex information into manageable chunks.
2. Encouraging active recall through repetition.
3. Utilizing mnemonic devices to enhance memory retention.
4. Promoting self-testing to reinforce learned material

The session not only enhanced their understanding but also equipped them with techniques to improve their memory and learning in the long term.

5. IDENTIFICATION OF DOSAGE FORM

The identification of dosage form method was conducted by Mr. Shubham Gore on subject Pharmaceutics for first year students on 21.01.2025

The session focused on educating first-year students about the identification of different dosage forms and the methods used for their classification. The objective was to ensure that students could recognize and differentiate between various pharmaceutical forms, understand their characteristics, and comprehend the methods of their preparation and administration.

6. JIG-SAW ACTIVITY

Cooperative learning is a process where students collaborate in small groups on a structured activity. Within these groups, members work together to achieve a specific goal, solve a problem, complete a project, or develop a product. It is an instructional approach where students engage in small-group work to reach a common learning objective with the teacher's guidance.

This activity was conducted by Ms. Hrutuja Wagh on 14th February 2025

7.MODEL MAKING ACTIVITY

The Model Making Activity was conducted on 24th February 2025 for the first-year students enrolled in the Human Anatomy & Physiology course. The event was organized and supervised by Ms. Priyanka Todkari and Ms. Rucha Kajbaje,

The objective of the event was to engage students in an interactive learning experience, where they could create physical models representing human body parts, organs, or systems.

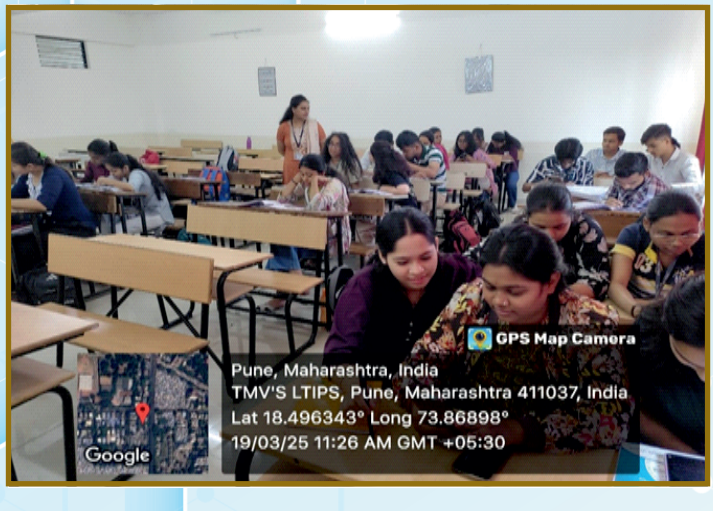

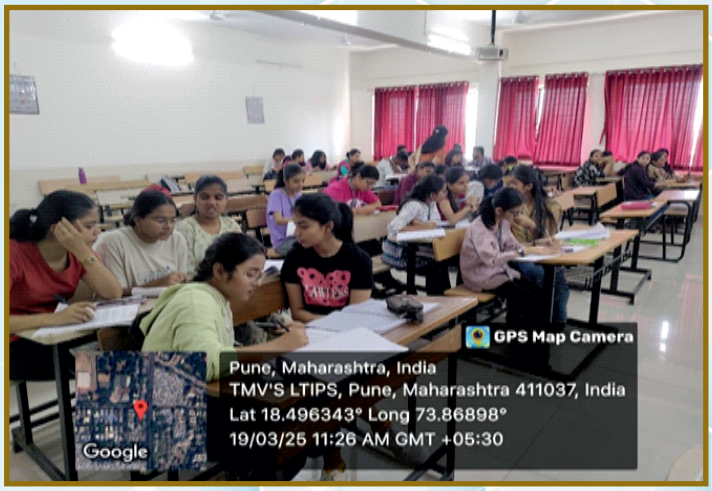

8.COLLABORATIVE LEARNING METHOD-SYNERGY STUDY SESSION

Collaborative learning is a highly effective teaching strategy that promotes active engagement, social interaction, and the development of critical skills. By working together, students can deepen their understanding, build stronger communication skills.

The activity was conducted on 19.03.2025, Wednesday for First year students for Pharmaceutical Inorganic Chemistry between 11a.m. to 12.00p.m by Subject In-charge Ms. Snnehaa Bhosle.

The collaborative learning initiative aimed to improve communication and teamwork skills among students.

9. QUIZ COMPETITION

Quiz Competition was conducted on 22nd March 2025 for final-year students enrolled in the Cosmetic Science course. The event was organized and facilitated by Ms. Shraddha Dingare, a faculty member in the department. The competition was structured as a team-based quiz, with three groups, viz. A, B and C, each consisting of 20 students.

CO-CURRICULAR ACTIVITIES OUTDOOR

1.POSTER PRESENTATION- 63rd NATIONAL PHARMACY WEEK

NPW was celebrated to promote the highest professional and ethical standards of pharmacy, focus the image of pharmacists as competent healthcare professionals, sensitize the community, government and others on vital professional issues and support pharmaceutical education

Riya Sakore got first prize in Poster Presentation organized by RMD Institute of Pharmaceutical Education & Research, Chinchwad

2.NATIONAL LEVEL REVIEW ARTICLE WRITING COMPETITION

Final year students Ms. Mrunal Nivangune, Ms. Sejal Kulkarni & Ms. Vrushali Thorat mentored by Mrs. Rucha Pusegaonkar, Assistant Professor, LTIPS won First prize; second year students Ms. Prachi Jagdale, Ms. Neha Sahani & Ms. Divya Kshirsagar mentored by Mrs. Snnehaa Bhosle, Assistant Professor, LTIPS won consolation prize in national level review article writing competition on 27th December 2024 organized by Academic Decipher, Mumbai

3. PAPER PRESENTATION PHARMA FRONTIERS:2025 NATIONAL CONFERENCE

A paper presentation was conducted on 30th January,2025 for (UG, PG & PhD,

Faculty category) focusing on the topic "AI-Assisted Innovations in Pharmaceutical Sciences"

Two students from Final year B.Pharm ,LTIPS bagged second position under UG category.

Two students from Final year B.Pharm ,LTIPS bagged second position under UG category.

Second Prize was bagged by Ms. Gayatree Chorghe in Paper Presentation under UG category

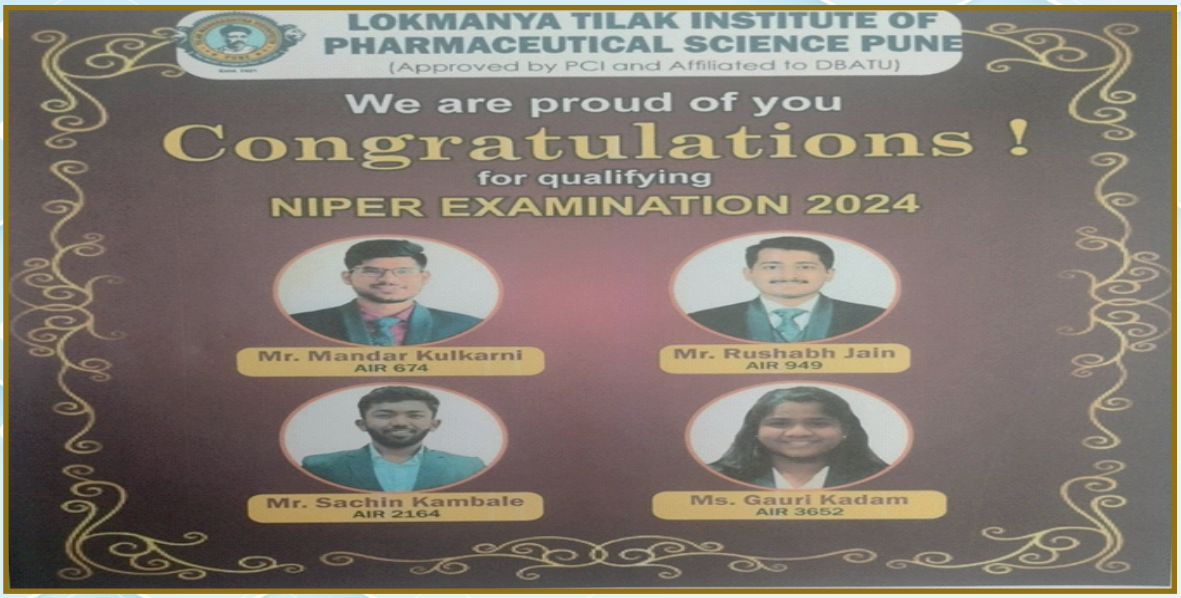

4. MEHENDI COMPETITION

TMV's Arts Circle scheduled Mehendi Competition organized by department of Law on 4th february,2025.

First year student, Ms. Vaishnavi Suryawanshi secured third position whereas Mrs. Priyanka Todkari, Asst. Professor, LTIPS bagged First position.

5. NAME OF ACTIVITY- NIPER & GPAT QUALIFIED STUDENTS FROM PASSED-OUT BATCH 2023-24

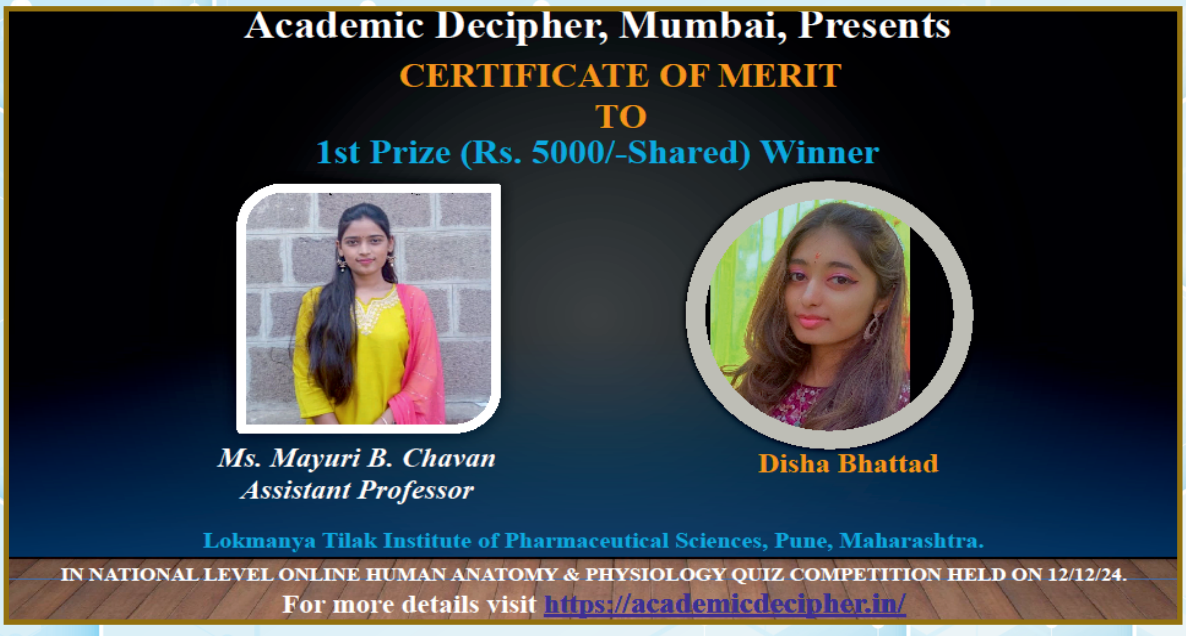

Four LTIPS students Rushabh Jain (AIR-949); Mandar Kulkarni (AIR 674); Sachin Kamble (AIR 2164) & Miss. Gauri Kadam (AIR 3652) from batch 2023-2024 qualified NIPER examination 2024

6. NATIONAL LEVEL ONLINE QUIZ COMPETITION

Academic Decipher organized a quiz competition focused on the HAP (Human Anatomy and Physiology) subject within the pharmacy domain. The event was coordinated by Ms. Mayuri Chavan, Assistant Professor at Lokmanya Tilak Institute of Pharmaceutical Sciences, Pune.

The competition aimed to engage pharmacy students and professionals in an educational and competitive environment, enhancing their knowledge and understanding of the HAP field.

Ms. Disha Bhattad, first year student got first prize in National Level Online Quiz Competition on 12.12.2024

7. AKHIL MARATHI SAHITYA SAMMELAN

The three days Vishwa Marathi Sammelan 2025, started from 31st January 2025 to 2nd February 2025 held at Fergusson College Grounds, Pune celebrating the richness of the Marathi language and culture brought together renowned Marathi writers, poets, and literary enthusiasts to celebrate Marathi literature. The event featured thought-provoking discussions, poetry readings, and book launches, fostering an exchange of ideas on contemporary issues and the preservation of Marathi language and culture.

LTIPS students and faculty actively participated in the third global Marathi convention

8. HEALTHMEDICON 2025 INTERNATIONAL CONFERENCE

SPORTS ACTIVITIES

Event 1

Name of the Activity: Intra University Table Tennis Tournament

The Intra-University Table Tennis Competition, organized on 26th Sept. 2024 TMV Sports Department, provided an excellent platform for students to showcase their skills and enthusiasm for the sport. The event attracted participants from various departments, promoting healthy competition and sportsmanship among the students. The Pharmacy department was represented by three talented students who competed against their peers from other departments. Their participation demonstrated the department's commitment for promoting sports and physical fitness among its students.

Event 2

Name of the Activity: Intra University Kabaddi Competition Tournament Men

The Intra-University Kabaddi Competition, organized on 30th Sept 2024 by the TMV Sports Department, showcased the exceptional talent and sportsmanship of participants across various departments. The tournament brought together teams from multiple disciplines, fostering camaraderie and competitive spirit among students.

Event 3

Name of the Activity: Nowrosjee Cricket Tournament

Students from our college participated in the Nowrosjee Cricket Tournament 2025, organized from 29th January to 3rd February 2025 by Progressive Education Society's Modern College, Ganeshkhind, Pune. A total of 15 students competed with dedication, showcasing their talent, teamwork, and sportsmanship. The event provided a valuable platform to enhance their cricketing skills and resilience in a competitive environment.

Event 4

Name of the activity: Sanskriti 2025-Tug of War

The Intra-Departmental Tug of War Competition was organized on 7th February 2025 by the TMV Sports Department under Sanskriti 2025 to promote teamwork, sportsmanship, and physical fitness. Various departments participated with great enthusiasm, showcasing their strength and coordination. The event created an energetic atmosphere, with loud cheers from spectators boosting the morale of the participants. The Pharmacy Department was represented by two boys' teams and one girls' team, competing against teams from other departments. Their participation demonstrated the department's commitment to promoting sports and physical fitness among its students. Both the boys' and girls' teams secured the runner-up position, displaying outstanding performance. Overall, the event was a great success, fostering unity and encouraging extracurricular engagement among participants.

Tug of War- Girls team secured second position

Event 4.1

Name of the activity: American Dodge Ball

The Intra-Departmental American Dodgeball Competition was organized on 8th February 2025 by the TMV Sports Department to encourage teamwork, agility, and sportsmanship among students. Various departments actively participated, displaying quick reflexes, strategic gameplay, and enthusiasm. The event followed standard dodgeball rules, ensuring fair play and an exciting competition. Spectators cheered for their teams, creating an energetic and engaging atmosphere. The winning team was awarded a trophy and certificates in recognition of their performance. Overall, the event was a great success, promoting physical fitness, team spirit, and interdepartmental interaction.

American Dodge Ball- Boys team First Position

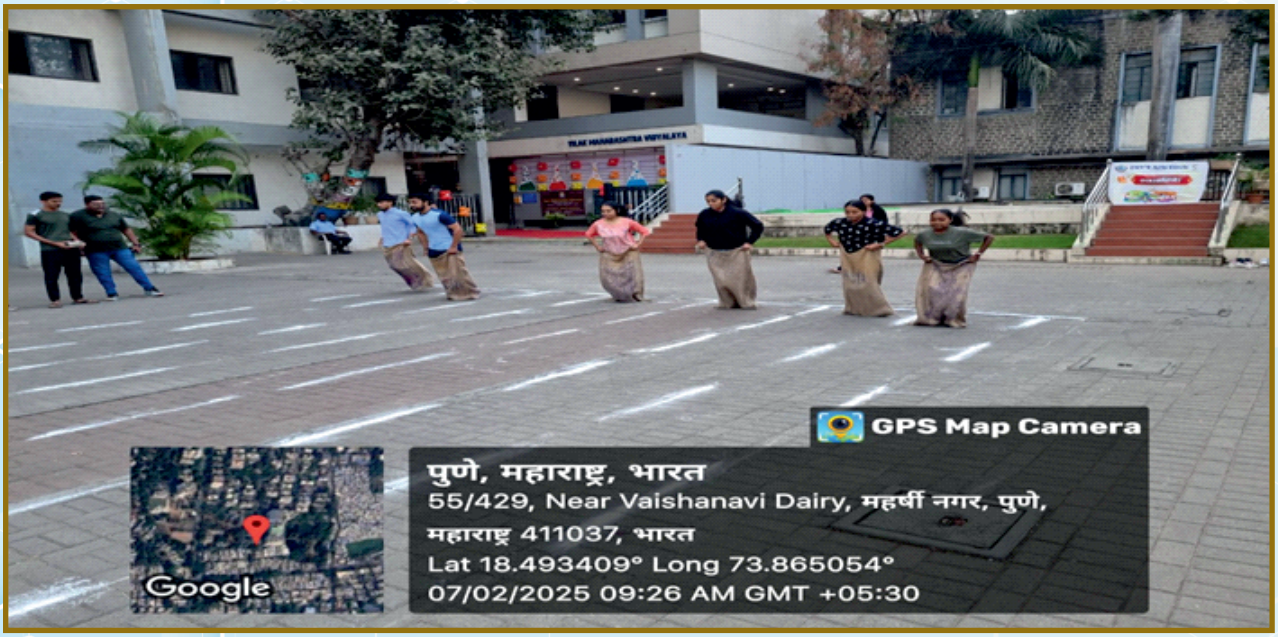

American Dodge Ball- Girls team First Position

Event 4.2

Name of the activity: Sac Race

The Intra-Departmental Sack Race Competition organized on 7th February 2025 by the TMV Sports Department aimed to promote fun, fitness, and teamwork. Participants hopped toward the finish line in sacks, showcasing balance, coordination, and determination. The event created an exciting and cheerful atmosphere, with enthusiastic cheers from spectators. It encouraged friendly competition while improving agility and physical endurance. Overall, the activity was a great success, fostering sportsmanship and interdepartmental interaction.

Event 4.3

Name of the activity: Fitness Challenges

The Intra-Departmental Fitness Challenges organized on 8th February 2025 by the TMV Sports Department aimed to promote health, endurance, and overall well-being. Participants competed in various physical activities such as push-ups, planks, sprinting, and endurance tests. The event encouraged students to enhance their fitness levels while fostering a spirit of motivation and perseverance. Friendly competition and enthusiastic participation created an energetic and engaging atmosphere. Overall, the activity successfully emphasized the importance of physical fitness in daily life.

Students actively participate in fitness challange

Event 5

Name of the Activity: Cricket Clash

LTIPS students actively participated in Cricket Clash 2025, organized by Progressive Education Society's Modern Law College, Ganeshkhind, Pune, on 17th March 2025. The tournament featured men's and women's categories, offering cash prizes, trophies, and certificates to the winners and runners-up. Three students from our college competed with great enthusiasm and dedication, showcasing their talent and sportsmanship.

Event 6

Name of the Activity: Modern Volleyball Tournament

Students from our college participated in the Volleyball Tournament organized by Modern Law College, Ganeshkhind, Pune, on 18th March 2025. The tournament included men's and women's categories, offering cash prizes, trophies, and certificates for winners and runners-up. The event aimed to encourage sportsmanship, teamwork, and physical fitness among students. Three students from our college participated in the competition, competing enthusiastically and dedicatedly. The tournament provided a platform for students to enhance their sporting skills and engage in a healthy competitive spirit.

Event 7

Name of the Activity: Volleyball Tournament

Students from TMV's Lokmanya Tilak Institute of Pharmaceutical Sciences actively participated in the Parampoojya Prabhakar Sardeshmukh Maharaj Inter-Collegiate Volleyball Tournament – 2025, organized by Ayurved Mahavidyalaya, Wagholi, Pune on 21st March 2025. The event witnessed enthusiastic participation from various colleges, with separate competitions for boys and girls. The TMV LTIPS team demonstrated excellent teamwork, sportsmanship, and competitive spirit throughout the matches. Their participation helped enhance their physical fitness, strategic thinking, and team coordination. The tournament provided a valuable platform for the students to compete at the intercollegiate level, fostering sports culture within the institute.

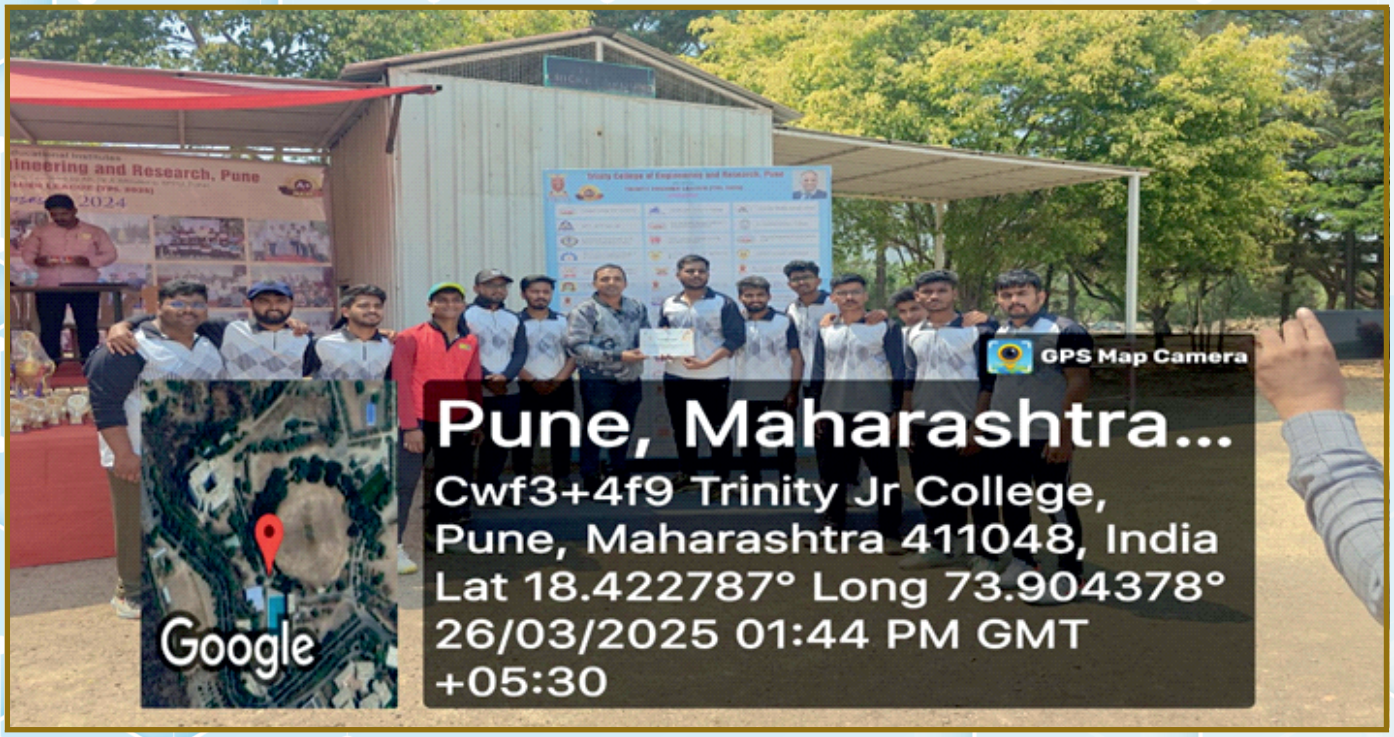

Event 8

Name of the Activity: Inter-collegiate Cricket Tournament

Students from TMVs Lokmanya Tilak Institute of Pharmaceutical Sciences participated in the State Level Tennis Ball Cricket Tournament, Trinity Premier League (TPL25), organized by Trinity College of Engineering and Research, Pune. The tournament commenced on 20th March 2025 at Saswad-Bopdev-Pune Road, Yewalewadi, Kondhwa, Pune. The students displayed exceptional sportsmanship and teamwork in the six-over full-pitch matches. Their participation highlighted the institute's commitment to extracurricular excellence, fostering both physical fitness and team spirit.
