Academics, Curricular & Co curricular Activity Report

Academic Year 2024-2025

MESSAGE FROM THE DIRECTORS DESK

Dr. Pranati Tilak
Director

Tilak Maharashtra Vidyapeeth is an Institution that is providing quality education for the last 102 years. Having recently branched out into the field of Pharmaceutical studies, the organization is happy to state that both, the Lokmanya Tilak Institute of Pharmacy and the Lokmanya Tilak Institute of Pharmaceutical Sciences have progressed steadily in academic, curricular and co-curricular areas.

The colleges have modern infrastructure, equipped with the best facilities and equipment which nurture the spirit of excellence in all the students.

The students receive high quality of education that the college has to offer, in addition to this the students are also encouraged to participate in various competition that contribute to their personality, co-curricular and skills development as well. In a very short span, the students have received industry exposure during the numerous field trips and study tours organized by the colleges.

All the students have a good academic standing and the teachers too, take a strong initiative in the form of remedial classes and other mentorship activities conducted by them.

It is my strong belief that when reaching a high benchmark in quality education is never a single person's job. The staff members are the backbone of any organization. The staff members too are very active in the academic and co-curricular activities. They are constantly updating their knowledge and enhancing their skills by participating in various paper presentations, competitions, seminars and conferences.

The colleges also arrange cultural activities that help to bring in more vibrancy and inculcate team bonding and leadership skills among the students.

It has been a fruitful journey for the colleges so far and I am sure that there is lot more success and achievements for both colleges in the coming years!

MESSAGE FROM THE PRINCIPAL DESK

Dr. Meenkashi Deodhar
Principal

"Welcome, readers, to the latest issue of the LTIPS e-bulletin! As you peruse these pages, you'll quickly sense the contagious vibrancy that defines LTIPS. Our campus is alive year-round with a plethora of co-curricular and extracurricular activities, ensuring there's never a dull moment. While our academic culture thrives, we equally prioritize the expression of talent among our enthusiastic student body. Happy browsing!"

MESSAGE FROM THE REGISTRAR DESK

Dr. Meera Deshmukh
Registrar

As we reflect on the academic year 2023-24 at Lokmanya Tilak Institute of Pharmaceutical Sciences, Pune, we celebrate a year marked by exceptional achievements and vibrant activities. Our students excelled in academics, with numerous accolades and research publications showcasing their dedication and intellect. Beyond the classroom, our community thrived through various extracurricular activities, including sports, cultural fests, and community service initiatives. These events not only fostered personal growth but also strengthened our institute's spirit of unity and collaboration. Together, we continue to uphold the legacy of excellence at TMV.

Orientation Programme, Batch 2023-24

**Honourable Director Dr. Pranati Tilak Madam
addressing new entrants of
academic year 2023-24**

The Induction program, for the First Year B. Pharmacy (Batch 2023-24) of LTIPS was held from 11th, 12th & 25th September, 2023. The objective of the Induction Programme is to help new students adjust and feel comfortable in the new environment, inculcate in them the ethos and culture of the institution, help them build bonds with other students and faculty members, and expose them to sense of larger purpose and self-exploration.

The Programme started with the inauguration at the hands of Honourable Dr. Pranati Tilak, Director, Lokmanya Tilak Institute of Pharmaceutical Sciences, Pune. This was followed by a welcome song by Final Year B.Pharm students. The event was coordinated by Third Year B. Pharm students.

Honorable Director Madam greeted and wished hearty welcome to the Institute. In her speech, she elaborated upon the rich history of Tilak Maharashtra Vidyapeeth and the legacy of Lokmanya Bal Gangadhar Tilak. She addressed the gathering about how the great freedom fighter had first put forth the idea of setting up manufacturing plants in India to make our own vaccine.

Orientation Programme, Batch 2023-24

The overarching objective is to provide a platform to address the growing concerns related to the escalating threats posed by Diabetes.

E-poster competition was organized on 18th Jan, 2024 where 52 candidates (27 from diploma category & 25 from PG, Ph.D. category).

The conference created dynamic platform to share latest research, treatment strategies, preventive approaches against diabetes. The Speakers for the event were-

Dr. Hansaji Yogendra, Director, The Yoga Institute
Topic-The link between Mental Health & Diabetes

Dr. Ramesh Bhonde, Director, Dr. D. Y. Patil Vidyapeeth
Topic-Stem Cells in diabetes research

Dr. Sujata Vaidya, Director, Supra Health Solutions
Topic-Energy dynamics in Diabetes

Dr. Jagannath Dixit, Professor & Head of Community Medicine
Topic-Various approaches to combat Diabetes
LTIPS expressed sincere gratitude towards

Hon'ble Director Dr. Pranati Tilak,
Respected Principal Dr. Meenakshi Deodhar &
Respected Registrar Dr. Meera Deshmukh.

Oath Taking Ceremony

The oath-taking ceremony took place on 14th & 15th May, 2024 was organized formally to induct Final year Batch 2024 into their respective roles. The ceremony aimed to inculcate a sense of commitment, responsibility, and allegiance to their duties and responsibilities.

The oath-taking ceremony was a solemn and significant event, symbolizing the formal acceptance of responsibilities by the inductees. It served as a reminder of the trust placed in them by their peers, superiors, and the community they serve. The ceremony concluded with a sense of unity and purpose, as all participants pledged to fulfill their duties with diligence and dedication.

The ceremony was attended by entire team of Lokmanya Tilak institute of Pharmaceutical Sciences, Pune including Chief Guest Mr. Mahesh Zagade, IASx, Hon'ble Director, LTIPS Dr. Pranati Tilak, Respected Mr. Ajit khadilkar, Secretary TMV, Respected Principal Dr. Meenakshi Deodhar & Respected Registrar Dr. Meera Deshmukh.

Oath Taking Ceremony

Cultural event-

The cultural event held on 14th May 2024 aimed to celebrate and showcase the diverse cultural heritage and talents within our community. It provided a platform for artists, performers, and cultural enthusiasts to come together and share their traditions, art forms, and creative expressions.

The cultural event was a vibrant and enriching celebration of our shared humanity and the richness of cultural diversity. It provided a platform for dialogue, appreciation, and inspiration, fostering a sense of unity and belonging among participants.

Message of Investiture Ceremony

- The importance of integrity, professionalism, and service to the community.
- The significance of upholding the values and principles associated with the respective roles.
- The commitment to work collaboratively towards achieving common goals and objectives.

TCS NQT Exam and Interview Clearance

On November 18 and 19, 2023, TMV's Lokmanya Tilak Institute of Pharmaceutical Sciences witnessed a commendable achievement as a group of 18 students participated in the TCS NQT exam for the Life Sciences domain. Subsequently, six students qualified for the interview stage, and three of them successfully cleared the interview round, marking a significant milestone for the institution and its students.

Out of the six students who appeared for the interview, three students exhibited exemplary performance and successfully cleared the interview round. The students who cleared the interview stage and have progressed to the next phase of the recruitment process are:

1. Vishal Tambare
2. Rutuja Gogade
3. Tushar Shelke

Training and Placement cell

Career Development Counselling Sessions:

The Training and Placement Cell at our institution recently conducted a series of counselling sessions aimed at empowering students with essential skills and knowledge for career development. These sessions covered a wide range of topics crucial for navigating the competitive job market and enhancing employability.

Industry Visit by Training and Placement Cell Faculty

Industry Engagement and acquaintance with Human Resource for further collaboration
On 04 April 2024, the Faculty of TMV's LTIPS, Asst. Prof. Ms. Rucha Pusegaonkar and Apoorva Ranade from the Training and Placement Cell, undertook a significant initiative by visiting multiple pharmaceutical companies situated in Hinjewadi Phase 3. The purpose of this visit was to strengthen the academia-industry relationship, gain insights into industry practices, and establish connections with Human Resource representatives.

Companies Visited:

1. OmniActive Health Technologies: A leading provider of natural health supplements.
2. Gennova Bio: A company dedicated to transforming healthcare through innovative solutions.
3. Hikal Ltd: A global pharmaceutical company known for its expertise in chemistry research.
4. Centaur Pharmaceuticals: A renowned name in the pharmaceutical industry.
5. Granules India: A vertically integrated pharmaceutical company.
6. MJ Biopharma: A prominent player in the biopharmaceutical sector.
7. Ventri Biologicals: A company focused on biologics research and development.
8. Zuventus Pharma- A leading player in Pharma.

Campus to Corporate Program

The Campus to Corporate Program, organized by the Training and Placement Cell of TMV's LTIPS Campus in collaboration with CiREE edTech, was conducted on April 24 and April 25, 2024. The two-day program consisted of interactive workshops, group discussions, mock exercises, and networking opportunities designed to simulate real-world corporate scenarios. Industry experts and seasoned professionals from CiREE EdTech Mr. Sachin Kumbhoje and Mr. Vishwajeet Kashid facilitated the sessions, ensuring relevance and practicality.

Campus to Corporate Program held on 24 and 25 April 2024 at Lokmanya Tilak Institute of Pharmaceutical Sciences, Pune

Training and Placement cell

Mock Interview

On May 4, 2024, the Training and Placement Cell of TMV's LTIPS Campus organized mock interviews for final year students in collaboration with CiREE edTech. The purpose of these mock interviews was to prepare students for real-world job interviews by simulating authentic interview scenarios. The primary objective of the mock interviews was to help students gain confidence, refine their interview skills, and receive constructive feedback from industry experts. Prior to the event, students were briefed on the interview process and were provided with guidelines on professional attire and demeanor. CiREE edTech, a leading provider of educational technology solutions, collaborated with the TMV's Training and Placement Cell to ensure the mock interviews were conducted effectively by resource person Mr. Sagar Kagavde, Zonal Manager, Roche Diagnostics.

Placement Drive

On May 12, 2024, TMV's LTIPS Campus, in collaboration with CiREE edTech, organized a campus placement drive for final year students. The event aimed to provide employment opportunities to graduating students and bridge the gap between academia and industry. Various renowned companies from the pharmaceutical and healthcare sectors participated in the drive. The placement drive attracted a significant number of registrations, with over 140 final year students expressing interest in participating. The event featured a series of recruitment processes, including pre-placement talks, assessments, interviews, and final selections, conducted by representatives from participating companies. They hired domains like clinical research, QC/QA, sales and marketing, business process executive, production, warehouse, online sales, Medical Record Summarization and pharmacist.

Key Statistics:

- Total Registrations: 140
- Total Students Placed: 57
- Students from TMV's LTIPS Placed: 17

Participating Companies:

1. Zydus Cadila / Unichem Laboratories (Goa Site)
2. Group Pharmaceuticals
3. Neon Laboratories
4. Wellness Forever
5. Genericart
6. TCMS
7. Ardent Clinical Services
8. Core Bi Solutions (Pune Office)

Placement Drive held on 12 May 2024 at Lokmanya Tilak Institute of Pharmaceutical Sciences, Pune

MOU with Insta Vision Laboratories.

TMV's Lokmanya Tilak Institute of Pharmaceutical Sciences, Pune has made MOU with Insta Vision Laboratories for all year students.

1. Provides industry ready skill set development programs for fresher's.
2. Insta Vision is also dealing with training in various sections of pharmaceuticals according to major regulatory authorities like USFDA, TGA, WHO, MHRA etc.
3. Gives training of all sophisticated instrumentation along with documentation as per Good Documentation practices, following requirements Data Integrity.

MOU with OpEx Accelerator Private Limited

TMV's Lokmanya Tilak Institute of Pharmaceutical Sciences, Pune has made MOU with Op-Ex Accelerator Private Limited for third year & final year students.

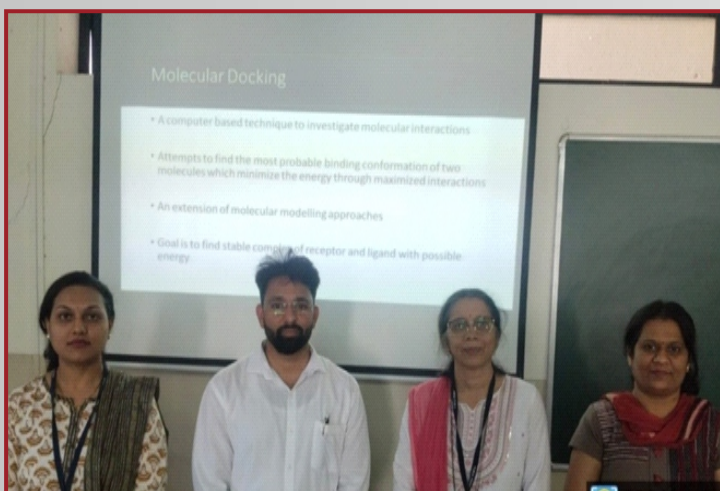

1. CIREE-Premium is an enhanced version of CiREE (Online Career Development Platform)
2. CIREE-Premium offers Online Skill Development Courses through the Experts from various Pharmaceutical Industries. It provides Life Skills, Professional Skills, and Technical Skills to the Students along with other features like Job Portal, Resume Builder, Mock Tests and much more.
